

2021 Neighborhood Infrastructure Improvements Construction Update #17 – 9/3/2021

What has happened during the past week?

- Paving of the base layers of asphalt between Hillside St and Lyn Way was completed
- Watermain work was started between Westview Drive and Pleasant Drive
- Restoration between Lyn Way and Pine Street was completed with blown compost seeding

What is scheduled for the week of September 6th?

- **Boulevard Grading and Concrete Sidewalk:** Boulevards along the south side of 15th Street will be graded and prepared for sidewalks to be poured between Lyn Way and Hillside Street. North side boulevards will also begin to be graded
- **Driveway Repairs:** Driveway restoration between Hillside Street and Lyn Way will continue
- **Watermain Replacement:** Watermain replacement will continue between Hillside Street and Pleasant Drive

Paving progress looking east along 15th Street near Hillside Street. A vibratory steel drum roller is being used to compact the pavement.

Water Main replacement taking place at the intersection of 15th Street and Westview Drive.

Who do I contact with questions or for assistance? Project management services are being provided by the City's Engineering Department. The department can be reached at **(651) 480-2334** with project questions and concerns.

Spread the Word & Encourage E-Updates! Please make sure to share this information with your neighbors and tenants, and encourage them to sign up for at least one of the two electronic updates options if they have not yet done so!
